AUCTION SATURDAY 20TH APRIL!

Peacefully positioned opposite the renowned Macarthur Park in arguably Camden's best street, this rare opportunity offers an unparalleled lifestyle being only moments to Camden's main street & boutique lifestyle. Benefited by a flexible floorplan, the home offers a unique design with three bedrooms, plus a study/nursery, and a light filled living space over the kitchen. Situated on a 486m² block with a B4 mixed use zoning, the potential for this property is endless. Whether you're in the market for an investment, renovation, or a knock-down rebuild (STCA), this property should be at the top of your shopping list! Truly the best destination Camden has to offer, opportunities in this locale are exceedingly rare. For all enquiries please contact either James White on 0406 066 018 or Michael Alexander on 0413 661 144.** We have, in preparing this document, used our best endeavours to ensure that the information contained herein is true and accurate to the best of our knowledge.
