This lovely brick maisonette is well built and surrounded by lawns. Well insulated - this home is quiet with a low maintenance garden in a fabulous location close to facilities such as Tea Tree Plaza, the O-Bahn + Linear Park and more. Easy to keep clean, this 2 bedroom home has been recently painted white throughout. The lovely heritage black and white bathroom has a separate toilet. The insulation is top quality so the reverse cycle AC/Heater in the main living area is very efficient and effective. Fans in the bedrooms also help you to keep cool on those warm summer nights. The main bedroom has massive amounts of storage and the quality wooden windows let lots of lovely light into the home. There is secure parking for one car with automatic roller door and a connecting door into the main house, which gives great security for the tenant, plus there is room for one more car in driveway. Other features are: separate laundry with it's own access to back yard, a small tool shed for storing your valuable outdoor items, the kitchen has a lovely bay window looking out onto the yard and pets are negotiable (details must be provided in your application). Ideally located near Tea Tree Plaza, OBahn, great facilities, bushwalking and the city!
