Reserve At Rear

At the end of a quiet cul-de-sac alongside a reserve, around 200 meters walk to Dutchies Beach and a little over a kilometer to the heart of Nelson Bay, the Marina precinct, Golf and Bowling clubs. Offering light filled living spaces, a modern kitchen, 3 bedrooms and 2 bathrooms, with balconies that wrap around two sides of the home, a double garage with a high opening, auto door to accommodate larger vehicles and a huge storage area all help to create a home that will suit those looking for a low maintenance lifestyle whether it be for permanent or part time living. More photos to come.
