A Potential Packed Future

Central to Bonwick Street shopping, Charles Mutton Reserve and Fawkner Station this classic three bedroom home is a model of meticulous maintenance. Pristinely presented, showcasing clean lines that lend themselves to modern interpretation, this home features free-flowing lounge to a spacious kitchen/meals with gas upright cooking and timber cabinetry with leadlight. Privately zoned bedrooms share a large family bathroom while the sunroom makes a welcome home office. Alfresco rear gardens resplendent with fruit trees include a double garage incorporating excellent storage and a summer kitchen, while the comfort of ducted heating and evaporative cooling, separate laundry, carport plus off-street parking make this home on 577m² approx. a solid platform from which to enhance/extend or redevelop at leisure, subject to relevant approval.
