Positioned within easy reach of Belmont shopping, this enormous allotment of 976 sq.mt. app. is an opportunity to start afresh with a new multi-unit residential complex (S.T.C.A.). Alternatively, with some works undertaken, the existing buildings comprising 2 x two bedroomed and 1 x one bedroomed units could be refurbished to provide a solid rental return. Public transport is very close by, together with easy access to both Belmont and Waurn Ponds facilities. Rarely do sites of this magnitude come to the market, and we encourage your early enquiry.
