Nestled in a family-friendly position in Patterson Lakes, this recently renovated single-level home exudes charm and spaciousness with the added bonus of access to the picturesque Lake Legana. Revel in the open plan living space, accentuated by large windows that usher in abundant natural light and new flooring throughout, allowing for a seamless blend of living and dining space. The near new kitchen, adorned with plenty of bench space, ample cabinetry, and stainless steel appliances is truly an entertainer's dream. The spacious master suite is a real treat, featuring double built in robe and updated ensuite. The additional two bedrooms come fitted with built-in robes and a central family bathroom brings it all together. Other highlights include a large backyard, a separate laundry room with linen cupboard, garden shed, double lock up garage and split system heating and cooling. This home is lovely and its sure to impress. Located conveniently across the road from Patterson Lakes Shopping Village, a short walk to Patterson Lakes Primary School, a quick drive to Patterson River Secondary College and access to major highways makes for easy commutes.
