Set across from Lydia's Chair and moments from village amenities and Bourke Street, this elegant residence is ideally positioned within the impressive Charles Salter designed Majella. An outstanding boutique building with the highest quality reinforced concrete construction, thermally broken windows, lift access and a drive-in experience with secure garage parking via heated driveway. This exceptional alpine home delivers a superb balance of space for entertaining or relaxing after spending the day exploring the mountain. The palatial open plan living and dining areas offer scenic mountain views of The Bluff ranges and Little Buller. Accompanied by a beautifully appointed kitchen, gas log fire, floor to ceiling windows offering an abundance of natural light and substantial wrap-around undercover terrace with 3 access points. Spacious accommodation provides luxurious comforts with the flexibility to add more bunk beds. The master suite with ensuite and terrace plus 2 expansive bedrooms and a central bathroom with walk-in shower and separate bath, ideal for families of all ages. Complete with hydronic heating throughout, a well-designed drying space and laundry off the entry plus the convenience of a large communal ski room in the basement.
