(All offers will be presented to the owner once in writing, and the seller reserves the right to accept any offers prior to the closing date) Boasting generous house-like proportions whilst benefitting from breathtaking city views across the gorgeous Claisebrook Cove inlet, this spacious 280sqm, 4 bedroom 3 bathroom boutique apartment at "The Gallery" forms part of a stunning group of modern riverside residences that sit within close proximity of public transport and the free CAT bus route into the CBD, shopping, restaurants and the Royal Street café strip – the latter just a short stroll away across the delightful Trafalgar Bridge into beautiful Victoria Gardens. The bonus of an amazing vista of Burswood's state-of-the-art Optus Stadium from across the sprawling Mardalup Park and glistening river waters await you here, as does a highly-functional floor plan beyond double entry doors. Walk through the study and into a vast open-plan living, dining and kitchen area, where you will no doubt spend most of your casual time. That is before spilling out on to a huge wraparound entertaining balcony with the best vantage point of all. Back inside, a separate set of double doors – with linen cupboards to either side – reveals a massive master-bedroom suite with both living-room and balcony access, as well as a large walk-in wardrobe and a sublime ensuite bathroom with a toilet, twin "his and hers" stone vanities and an over-sized shower. Off both the entry and kitchen, the separate minor sleeping quarters are made up of a separate laundry, a practical main bathroom with a shower, toilet and vanity, third and fourth bedrooms with their own built-in robes and a second - or "guest" - bedroom suite with a built-in robe and a private ensuite/third bathroom, featuring a bathtub, showerhead, powder vanity, toilet and linen cupboard for good measure. An intimate second balcony off the fourth bedroom completes this outstanding package. The apartment also has a tandem car bay, as well as a single carbay, plus a secure storeroom for good measure.
