WOW – EXCLUSIVE & AFFORDABLE!

If you've always wanted to live on the cliff.. here is your chance! A beautifully positioned apartment on the water's edge with a billionaire's view. This delightful spacious two-bedroom apartment offers the very highest standard of living. The location is superb! A few minutes' walk to the Sorrento Village makes this offering totally unique. Restaurants, shopping, pharmacy supermarkets and theatre are all at your doorstep... not to mention the Continental and Sorrento Hotels! Sit on the generous balcony basking in the north sun or merely stargaze out across Port Phillip Bay. The beach is so close you could be mistaken for thinking it belongs to you. Why not have a mooring and your dream boat below. Cliff top walks to Portsea start at your front gate and go as far as Point Nepean if you wish. Alternatively head to Blairgowrie taking in the Sorrento Yacht Club for an evening drink or meal. If you know Blairgowrie Sorrento and Portsea, you'll understand how unique this opportunity is. Apartments with the proximity and views over the bay like this will never be built again.
