The creative reinvention of this boutique retreat has created a slice of beachside heaven in a tucked-away pocket of Clovelly footsteps to the natural splendour of Gordons Bay and just 200m to the beach and ocean pool. On the north-east corner of a fully upgraded block of nine, the mid-floor apartment is bathed in sunshine with dreamy interiors and views over the ocean to Wedding Cake Island from a glass-framed entertainer's balcony. Recreated from a shell, the two-bedroom apartment's interiors channel a relaxed Santorini beach feel with organic materials, quality finishes, limewashed floorboards and high ornate ceilings. A coveted setting by the ocean's edge affords a relaxed outdoor lifestyle in a quiet cul-de-sac with no through-traffic and plentiful parking for residents. Enjoy the vista from the comfort of home, stroll down to the beach or up to Clovelly village with its buzzing cafes, artisan bakeries and yoga studios or along the coast to Bronte Beach and Tamarama's surf breaks. *Recently renovated, flawlessly appointed* NE aspect, sunshine and ocean breezes *2 bright bedrooms, high ornate ceilings* King-sized main with a wall of built-ins *Custom kitchen, Zellige tile splashback *Caesarstone Statuario Maximus benchtops* Gas cooktop, Turner & Hastings sink *Sun-filled open plan living and dining *Limewashed floorboards, linen curtains* Fresh and bright bathroom with a bath *Low-energy lighting, one common wall* Common laundry room (own appliances) *Footsteps to the beach and Gordons Bay *Short stroll to The Cloey's beer garden *500m walk to The Clove and This Is Yoga *100m to the express city bus stop
