**\$885,000**

Take a short walk or a minute's drive from the Pascoe Vale Train station to find this delightful, red brick, castle on the hill. Tucked safely back from the road, this lofty abode boasts beautiful city and treescape views. Honey coloured floorboards are throughout, along with an abundance of natural light and ducted heating. As you arrive you are greeted with a bright, spacious lounge on your left and a study come guest bedroom on your right. As you head past the powder room to the rear of the house, you will find a fully equipped, fresh white, modern kitchen. It includes ample storage, bosch dishwasher, westinghouse gas and oven and cooktop with a breakfast bar that overlooks a stylish open plan dining room. The upper level of the home has two large, carpeted bedrooms each with built in robes and air-conditioning. Both of which are serviced by a lovely white tiled bathroom complete with shower, bathtub and linen cupboard. Behind the kitchen's featured sliding barn door is a small flight of stairs that lead down to the lower level. Here you will find a fantastic second living area and a double bedroom with a built in robe. Perfect for a teenage retreat or an option to keep your beloved seniors at home. Allowing for a multi-generational lifestyle or just needed space for a growing family. The backyard is aesthetically pleasing with its designer decking and low-maintenance garden. Allowing you to be ready to entertain or simply relax in privacy. There is a lock up garage, off-street parking and a storeroom under the front stairs. With proximity to shops, excellent schools and the Oak Park Leisure Centre you will find many reasons to make this house your home. We look forward to showing you through! Private inspections welcome.
