It's the age old saying 'location is key' and with this immaculate townhouse you will struggle to find something better in terms of location, you will also find once you walk through this 2 bedroom beauty that there is very little to do besides moving in and setting up. Getting to the beach is a breeze as all that needs to be done is pack your esky, the kids floaties and walk approx. 200m, if its brunch or a nice hot coffee your looking for, its still approx. 200m to the main drag of Rye which is filled with cafes, shops and plenty of spots to enjoy a ice cold drink or ice cream. What more could you need? The property itself hosts a formal living room, magnificent kitchen with plenty of cupboard and bench space, including a dishwasher and adjoining family / meals area with doors to your outside area. Master bedroom boasts a walk in robe and full ensuite while the 2nd bedroom is tucked away from the rest of the home and is serviced by the fully tiled main bathroom. This is sure to attract a lot of attention so please reach out as soon as possible to avoid disappointment.
