With the tennis club just across the street, and some of Berwick's stunning lifestyle properties on nearby Brisbane St, this glam reno puts you at the 'bougie' end of Berwick. Completely renovated inside with an array of high-end finishes, it's a beautiful way to start out or downsize in an intimate 5-unit estate. Infused with gorgeous light through its picture windows, the setting is bright and inviting, connected between the living room and meals area, encouraging natural flow across to the tropical garden and its private covered deck. A heat resistant Italian Oliveri granite sink, trendy subway tiles and Bosch appliances bring some European flair to the stylish kitchen. Statement black ceiling fans, light Oak floating floors and a luxury rainfall shower add yet more sophistication to this thoughtful renovation. Access to the bathroom through the master bedroom's walk-in robe provides ensuite effect, with the convenience of a separate toilet and large laundry close to the deck, the comfort of central heating and air con, and the warmth of a north facing side garden. For BBQs with your crew, or chill time with the dog, the fully secured yard offers maximum lifestyle with minimum maintenance. No lawn. No problem. So, you can say yes to weekend lunch dates, shopping at Berwick Central, picnics in the park, hockey, football, soccer, cricket and softball, or a trip to the city or the coast with gateway access via the Monash Fwy, Eastlink and Peninsula Link.
