Tucked away and extremely private both inside & out, this hidden gem is the perfect base for either a busy or relaxed lifestyle. Single level for ease of accessibility and beautifully appointed throughout, whether you are just starting out, downsizing or hoping to invest, this is an offering that definitely ticks all the right boxes. Upon entry, a formal entrance leads to the home's social areas on one side and its sleeping accommodation to the other. Open plan and spacious, the north-facing lounge has plenty of room for entertaining as well as relaxing while the well-equipped contemporary kitchen with gleaming Bosch appliances is perfectly positioned for hosting either in the dining area or outside on the alfresco patio. All three bedrooms are of generous proportions and feature built-in robes – including the ensuited master. Completing a truly appealing home are heating/cooling, a bright main bathroom with separate WC, storage shed and double auto garage with handy indoor and rear roller door access. In the prized catchment zone for Cheltenham Secondary College, the home is just footsteps to the many attractions of Southland, public transport, parks and the highway for a straight-forward workday commute.
