Be the lucky buyer to secure this bright and stylish three-bedroom townhouse and experience virtually brand new living on the Preston fringe. Just over a year old and still presented as new with a lifestyle-enriching low-maintenance design, it's an ideal purchase for those craving a fuss-free property that can be enjoyed immediately. A gourmet kitchen with stone benchtops, stainless steel appliances and an easy-to-clean splashback links with the adjacent meals area to present a stylish dining zone; a relaxed living area on the opposite side of the central staircase is all about indoor-outdoor lifestyle enjoyment with its direct access to the private low-maintenance courtyard. And with synthetic grass spread across the courtyard, mowing the lawn will be a chore of the past! Back inside, three large bedrooms (master with ensuite; all with carpeted floors) and a deluxe main bathroom offer contemporary luxury and plenty of privacy, while split-system heating/cooling, engineered timber floorboards downstairs, high ceilings, garden shed, single carport and a remote single garage are further highlights in a dream location within short walking distance of Preston North East Primary School, Northland and Summerhill shopping centres, recreational parklands, Plenty Road trams and bus services.
