This 2-story townhouse ticks all the boxes for those wanting a brilliantly located, 3-bedroom property in a small block with large open-plan living, two bathrooms, a private courtyard, car parking & loads more. Set well back from the street and positioned right in the middle of this small 5-unit development, this townhouse impresses from the front door that opens directly into a sweeping open plan living and dining area that extends through to the patio and courtyard & kitchen sits off to one side. Also downstairs is the laundry and additional toilet. The three bedrooms are all located upstairs & include built-in robes. Both the ensuite bathroom and family bathroom are fully tiled. The car parking provides for a garage and car space. Everything is virtually at your door here including trams, buses and trains, Camberwell Junction shopping strip, restaurants, parkland, etc. trams.
