Soundproofed behind a barrier wall, this surprisingly quiet 2-bedroom unit puts you close to the Eastlink city to coast gateway in a private corner of this elegant estate. Beautifully bright with an open plan kitchen and living area and a master with ensuite effect bathroom, the single level unit serves as the ideal purchase for first home buyers, downsizers and investors. The central living area is bright and spacious, set at the rear for privacy, with lovely flow across to the covered deck and a pocket garden. Fully featured with central heating plus split system cooling, Rinnai continuous hot water, a great sized kitchen with Technika oven, gas cooktop, and dishwasher, and both sheer and block out roller blinds to let you control the light. Internal access via the single remote garage offers extra security and room for storage. What freedom, close to Wantirna Mall, parks, tennis courts, and the superb connection of Eastlink stretching from the CBD to the peninsula.
