Open plan two bedroom unit is one that has to be seen. Featuring a large tiled combined kitchen and dining area, with a modern and large kitchen. The two bedrooms are both carpeted, both with large built-ins and one with access to the bathroom. The bathroom features a large shower, and is very modern. There is a large concrete outdoor area, so it is very low maintenance. The unit also has a remote single garage with attached laundry. The unit is fully security screened and at the back of the complex of four.
