In an outstanding location with the best of Dandenong at your fingertips, this sensational two-level townhouse has been designed to deliver a lifestyle of low-maintenance luxury with its intelligent floor plan and first-class features throughout. Impressive interior showcases three good sized bedrooms and main bathroom. This home outlines distinctive architecture, flexible design and an abundance of natural light throughout. Come inside and discover luxury finishes throughout including elegant tiled floors and a crisp ultramodern look throughout the open plan living area and wooden staircase. Cook up a feast from the brilliant stone-dressed modern kitchen with integrated appliances, ample cupboard space and a gorgeous white splashback. Additional premium benefits to these excellent residences include mirrored wardrobes and privacy windows in the bedrooms, a single remote garage, car space and additional off-street parking. A superb location places you a short walk to Dandenong Shopping Center, Dandenong market, local parks, Primary Schools and Senior Colleges. Dandenong train station and the Monash Freeway are within easy reach making this your ultimate family home.
