Affordable townhouse within walking distance to Mackay's Gooseponds, primary and high schools, shops, bowls club, swimming pool and more. Just a short drive to Shopping centres, medical and CBD and not affected by the 2008 Floods. Modern bathroom with walk in shower and internal, timber staircase down to the open plan, air conditioned living/dining/kitchen. Lovely, central kitchen with ample cupboard space and overlooking the back courtyard with garden shed which is perfect for some plants or a nice patio setting. There is also a lovely timber deck to the front of the home with a larger courtyard, great for entertaining. The property is clean and tidy with excellent upkeep, fully security screened, ceiling fans, office nook or storage under the staircase, internal laundry, single, undercover, carparking and the list goes on. Application to Body Corp for small pets is also considered. If you are looking for a fantastic investment or first home, this one really is worth an inspection. Body Corp \$445 per quarter.
