With its own street frontage and one of only three on the block, this double-storey townhouse presents an exceptional low-maintenance lifestyle opportunity thanks to its versatile floorplan, top-quality features and impressively large outdoors to enjoy. Filled with natural light, the home's on-trend interior comprises two generous bedrooms (large master) with built-in robes complemented by two modern bathrooms - one on each level. Further emphasizing its adaptable design is the inclusion of a dedicated study and spacious open-plan living/dining area adjoined by a sleek stone-bench kitchen complete with soft-close drawers, integrated fridge/freezer, stainless-steel cooking appliances and dishwasher. Other highlights of the home include ducted heating and split-system air conditioning (x3), solid hardwood floors, stylish plantation shutters, high ceilings, concealed laundry facilities and excellent storage options. Step outside to discover a large alfresco deck ideal for relaxing or entertaining and expansive front garden with established fruit trees, veggie patches and high fences all-round for exceptional privacy, plus a remote-control garage. Bus stop around the corner along with Rayner Reserve and Devon Road shops, it's also close to Oak Park Station, Oak Park Sports & Aquatic Centre and zoned to top local schools (Strathmore SC and Strathmore North PS), as well as easy access to Citylink.
