Stroll to the beach and park your boat securely off-street with this modern beach house close to the Safety Beach Foreshore. This private residence delivers a low-maintenance lock-and-leave design, and excellent parking including a double garage plus a high carport behind gates. The setting is serene and secure, nestled in a quiet court near the fairways of The Valley Golf Course. It offers a desirable ground-floor bedroom with flexibility as a home office or a rumpus room, to suit the family dynamic and lifestyle needs. An undercover deck caters for alfresco dining, while a hot-and-cold outdoor shower ensures sand-free beach days. Enjoy a vaulted ceiling above the family room, a stone kitchen, beautiful natural light, timber floorboards, and a relaxed beachy vibe. Further finishes include floor-to-ceiling bathroom tiling, split system air-conditioners throughout, a feature gas log heater, video intercom, a security system, and more. It's within easy reach of Martha Cove Marina, the Safety Beach Sailing Club, the Safety Beach Boat Ramp, and so much more.
