Tenanted to April 2024 to a tenant that has been there since 2017. Private & Secure This lovely, detached home was built in 2005 and is tucked away at the end of a private no-through road yet only a short stroll from bus stops, doctors, and a shopping complex with a variety of stores, Foodland grocery store, chemist, and more. It has three bedrooms, two-way/three-way bathroom with ensuite access from the master bedroom. There is a separate lounge and a separate kitchen/dine. The kitchen has stainless steel under-bench oven, gas cooktop, and range hood and plenty of cupboards including overheads. It also includes a gas heater and ducted cooling, built-ins to all three bedrooms and a drive-through carport UMR with auto roller door. A great investment with instant income! Don't miss this opportunity! Pictures on display were taken before the current tenant moved in.
