Find first home freedom, enjoy an easy investment, make a free and easy entry to the Highett market with this virtually freestanding villa unit. Just around the corner from the thriving Highett Rd's shopping and transport strip, this substantial two bedroom unit offers big value in a small group of just five. Super-spacious with living big enough to fit a dining or study area, a family-sized neutral kitchen beside dining and two big double bedrooms, this quality unit is large on light with a sun-catching northerly aspect where it counts (for living and the master bedroom) and big on extras with a separate WC for the classic bathroom, robes for both bedrooms, air-conditioners and gas heating. With a generous courtyard for pets, kids and entertaining, and a secure garage for peace of mind, there's all you need to live or invest with free and easy flair ...including a high-amenity beachside service-road position so close to the shops and cafes and around 250m to the station.
