Enjoying a private existence to the rear of only two, this contemporary town residence is an exceptional opportunity for owner-occupiers and astute investors. Beautiful natural light reflects off the striking timber floors to create a sun-soaked sanctuary for effortless modern living. An open-plan design merges living/dining with a gourmet kitchen featuring stone benches and stainless steel appliances, before transitioning outdoors to a huge entertainer's courtyard. A guest bedroom and bathroom are conveniently placed on the ground floor, and accompanied on the upper-level by 2 additional robed bedrooms sharing a 'Jack and Jill' bathroom. Luxuriously appointed with ducted heating and refrigerated air conditioning, shed, water tank and double garage, and desirably located in the MWSC catchment, a minute to Damper Creek Reserve and a short walk to Mt Waverley train station and Shopping Village.*Please Note* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
