Anchored to the sand, this contemporary beach house is oriented to embrace spectacular ever-changing views over the full sweep of the beach and ocean from its top floor setting, with the sensation of floating above the ocean. Bathed in sunshine with a sleek aesthetic, the oversized proportions are spread over one level, with four bedrooms and premium inclusions throughout. The sweeping living area connects to a covered sea-side balcony and leads down to a sun-splashed beachfront entertaining area with direct access to the surf, to deliver the ultimate in low-maintenance luxury. It is located within a level walk to cafes, dining, shops, schools, and express CBD buses.- Front row seats to unobstructed beach views, fall asleep to the sounds of the ocean- Walls of glass framing the vista and forging a close connection with the ocean spectacle- Check the surf from the comfort of home, watch the whales migrate and the dolphins at play- Interiors set under 5.1m ceilings which enhance light and space, bask in cooling sea breezes- Large solid door and grand staircase deliver a true sense of arrival, great floorplan- Sweeping living/dining area offers seamless outdoor flow via bifold doors- Streamlined stone-crafted kitchen with integrated Euro gas appliances- Large bedrooms fitted with built-ins, two have ensuites, the main with bathtub- Luxurious bathrooms, electric blinds, timber flooring, statement lighting- Entertainers' garden with direct access via the newly completed seawall to the beach- Double garage with internal and garden access, additional driveway parking
