Centrally located in Denneys Street, walking distance to the beach or main street, is this recently built 2 bedroom single-level townhouse. On its own title, the townhouse has a single remote garage and low maintenance garden and courtyard. The main bedroom has walk-through robe to the classy semi-ensuite. Bedroom 2 has built-in-robe, while there is a European built-in laundry off the dining area, which opens off the side of the kitchen/living area. Quality finishes, gas central heating, gas hotplates, dishwasher, built in 2022. This beautiful townhouse will be sold with vacant possession and is currently rented until January 2024 at \$510 per week, and would suit either a live-in purchaser or investor.
