This is a beautifully presented unfurnished, ground level, 3 bedroom apartment featuring high ceilings and an abundance of space. The dining area easily accommodates a six seat dining table with ample room in reserve for the open living area. Two sets of glass screen doors open out onto the undercover patio which blends into the private paved courtyard. This being the ideal spot to catch the breeze off the bay. The kitchen is well designed and appointed, offering good cupboard and bench space as well as being fitted with ceramic cooktop, stainless steel electric oven and dishwasher. Space is not lost as you move throughout the apartment with the first two bedrooms affording room enough for queen beds whilst the master is bigger again. All bedrooms are air-conditioned and complete with built in robes whilst the master has the extra benefit of a private ensuite. The main bathroom combines a bath tub and shower and is located close to bedrooms two and three. This apartment comes with 2 car spaces. Contact Bianca on (08) 8942 8942 to book an inspection.
