Reflecting the beauty of its period past, this stunning Art Deco apartment has been sensitively updated to suit today's contemporary lifestyle. In an idyllic tree-lined street with a near-intact streetscape, this ground floor apartment – one of just six in a boutique block – overlooks the serene front garden. Set behind its superb signature façade, large original rooms have classic art deco curved windows, high ceilings and polished hardwood timber floors. The sun-drenched north-facing living room with a brick fireplace opens to a private balcony with garden outlooks. Extending from the living room, the dining is perfectly poised for entertaining on a large or intimate scale. Ideally located to serve the living zone, the pristine kitchen with stone benchtops and tiled splashback, features a two-drawer dishwasher, storage and a bench/breakfast seating. Privately located away from the living zone, two bedrooms include the tranquil main bedroom with excellent robes/storage and characteristic corner windows. Both bedrooms share the contemporary bathroom. Further highlights include a secure entrance, Euro laundry, intercom and garage. This enviable location allows residents to enjoy all the attractions that make Windsor so appealing. Close to Lumley Gardens, it is walking distance to Dandenong Road and High Street trams, the suburb's vibrant mix of cafes, gastro pubs and boutiques, and is an easy commute to the CBD.
