THE DEAL: \$550K - \$575K

THE DEAL Break into the vibrant heart of city-edge living and discover an exciting slice of Windsor living in this attractive two-bedroom apartment. Tucked away in a boutique group, this stylishly renovated gem invites you into sunlit spaces that leave a lasting impression. Enjoy the warmth of the north-facing sun, whether entertaining guests, enjoying a meal outdoors, or simply unwinding in your own private sanctuary; this ground-floor garden stunner is sure to impress. Step inside, and you'll find a space that's all about comfort and style. The floors are chic, the walls are painted a fresh white, and the whole area feels open and inviting. The living and dining domains blend seamlessly into the kitchen, fully equipped with European appliances and plenty of storage, perfect for those who love to cook. Two bedrooms are spacious and include built-in robes for convenience, including the main with a striking northern aspect, whilst the bathroom has been updated with sleek matte black tapware and a combined shower and bath, giving it a modern and fashionable feel. There's also the benefits of split system heating/cooling, a garden shed for added storage, space to store your bike, intercom access, a European laundry and the all-important parking for one to the rear. SEALS THE DEAL Carefree living? Absolutely. Just step outside and you're mere moments from Chapel Street's trendiest spots—cafes, bars, restaurants, and shops, plus the convenience of city-bound transport with Windsor Station and trams on your doorstep.
