Located in a serene neighborhood, this spacious home offers comfort and functionality. Grand double doors lead to a welcoming foyer with storage. The ground floor hosts a luxurious master bedroom with walk-in robe and ensuite, while upstairs, two bedrooms with built-in robes share a bathroom. An expansive master suite upstairs features a walk-in robe, ensuite, and secluded wing. The open-plan layout connects the modern kitchen, dining, and living areas seamlessly. A spacious laundry connects to the kitchen, doubling as a butler's pantry. Enjoy year-round comfort with central heating and cooling. Equipped with motion detector alarm and intercom. Outside, a charming decking area overlooks a lush garden with a water tank and shed. A double garage provides secure parking. Perfect for family living. Photo ID required at all open inspections
