Spaciousness meets sophistication in this remarkable 3-bedroom residence, situated on an equally impressive 572sqm (approx.) with the perfect blend of indoor-outdoor living and an unparalleled opportunity for an effortless lifestyle a mere stroll from the heart of town. A tiled entryway glides into an open plan layout where a refined blend of tiled and carpeted floors lends a lasting warmth, overseen by a stone island kitchen that presents a true gourmet setting with a Technika 900mm cooker and dishwasher. The covered and sealed entertainment area is perfect for casual gatherings or quiet evenings, looking out over an expansive rear yard artfully lined with non-invasive bamboo. The main bedroom is a spacious retreat with a walk-in robe and ensuite, leading two additional bedrooms zoned around a central bathroom, separate toilet and laundry. Equipped with split-system air conditioning and a double garage, it harmoniously combines style, convenience, and functionality mere moments from Bittern Fields Shopping Centre, local schools, public transport, and the hinterland region's leading wineries and beaches.
