Take your single-level lifestyle to the highest level! One of just two substantial single-level townhouses in this upscale development, this remarkable rear home offers a grandly proportioned three bedroom, two bathroom, dual zone floorplan. Zoned for peace and privacy with a front master-suite in its own wing, this considered design has secondary bedrooms stretched out in north sun, and gracious formal and family zones coming together in free-flowing style. Classic by design with a sophisticated stainless-steel appliance kitchen overlooking both family living and the garden, this serene single-level home is sized up all around with a big main bathroom featuring a full bath, separate shower and private WC, and great storage including triple built-in robes plus an impressive double-doored walk-in for the master. Freshly painted, newly carpeted and climate-controlled by heating and refrigerated air-conditioning ducted throughout, this single-level home ticks every box. Even the easy-access auto-garage is sized up with a rear roller-door & extra car space. Prestige positioned at this booming, blooming address, the location will exceed expectations too; with the shopping strip and station just a few blocks away, the North Rd bus at the end of the street. and cosmopolitan shopping and hospitality strips plus Chadstone Shopping Centre within minutes.
