Enjoying twice the outdoor space and a 'turn key' level of quality, this modernised two bedroom brick unit is a mighty fine way to make your move into the property market. Providing its own street front entrance through to the north facing garden courtyard, this refreshed 70s gem features a genuine entry hall leading into the north facing living room, a sparkling subway tiled kitchen (stainless steel appliances) adjoining the generous dining area, two carpeted bedrooms both with built in robes, a renovated bathroom and a separate laundry. The sizeable and secluded rear paved courtyard is your space to cook up a barbeque for guests or show off some of your landscaping prowess. There's also new Oak look flooring, modern blinds, ducted heating, security doors and a wide auto garage (accessed via Railway Road). With the city tram on your doorstep, walk to Carnegie Primary School or just a few minutes to Koornang Road's fresh food grocers and popular diverse eateries, Koornang Park (upcoming pool development) and Carnegie train station.
