Are you looking for a comfortable and convenient home in a quiet location? Look no further than this neat and tidy two-bedroom, two-bathroom townhouse - the perfect solution for those wanting a low-maintenance property. Located at the rear of just 2 units, the home is set back from the road, offering privacy and peace and quiet. Inside, you'll find everything you need for a comfortable and modern lifestyle, including two very spacious bedrooms including a master with a walk-through robe and ensuite and a second bedroom with dual robes and convenient access to the family bathroom. The light-filled family room is a fabulous space and connects to the well-appointed kitchen and meals area which leads outside to the north-facing alfresco. A laundry with good storage, split system air conditioning, and ducted central heating add to the appeal of the home. Outside, the gardens are low maintenance, there is a double lock-up garage that has direct internal access and the added benefit of additional off-street concrete parking for visitors or even caravan/trailer storage.
