This neat and tidy two-bedroom, one bathroom unit is only a stone's throw from the main street of town and even closer to the service shops on Station Road. Located at the front of a small group of six units, the unit has recently been updated with new carpets throughout, freshly painted and ready for someone to move straight into as a home or investment property. This cute little place has two separate outdoor areas with the larger one having all day sun featuring urban stone paving and a great spot to sit and enjoy the gardens. The other courtyard, which is smaller in size, has a couple of rustic veggie boxes, a lockable storeroom, and a single carport under the main roof with direct access into the unit. The unit is fully secured and has security screens on all the windows and doors. The two bedrooms are a good size and feature new carpets, BIR's with a separate WC and serviced by the main bathroom. All in all, this is a neat low maintenance unit that would be perfect for the single person, investor or professional couple. Or lock and leave, forget the maintenance worries and enjoy a permanent base for your Margaret River holidays. * Please Note - NOT in the Short Stay Permissible Area.
