This ground floor oversized lovely bright 1 bedroom apartment has recently been given a new lease on life. The kitchen has plenty of storage and bench space along with gas cooking facilities. The bedroom has two double built in robes for even more storage. The bathroom has also been beautifully renovated. The living has an abundance of natural light. Split system heating and cooling. Communal laundry in the building also. The location is second to none. This nice quiet apartment offers an easy walk to the train station, the shops and cafes and the fantastic bike paths that the Yarra area offers. Inspection by appointment or at advertised times.
