Whether it is the breathtaking city views, sensational north-facing outdoor precinct with pool or the unbeatable location just steps to the market and Coventry St cafes and boutiques, this spectacular 4-bedroom contemporary residence delivers unrivalled inner bayside family appeal. One of just 2 residences on the third level and reached by lift, polished concrete floors and a soaring timber paneled raked ceiling distinguish the exceptionally generous open plan living and dining areas featuring a sleek white stone gourmet kitchen appointed with marble splash-back, commercial range hood and Miele appliances. Commanding fabulous city views, the living spaces open out to a large north-facing entertaining deck and a picturesque pool. An evocative fitted home office also enjoys pool and city skyline views. The opulent main bedroom with an abundance of robes, designer en suite with spa bath and access to the deck offers wonderful city views. On the level below positioned around a large central atrium, there is a children's zone comprising three additional king-sized bedrooms with robes and desks, a stylish bathroom with bath and a large retreat. Literally metres to shops, restaurants, trams to the city, Albert Park Lake, St Vincent Gardens and schools, it includes video intercom, zoned RC/air-conditioning, powder-room, laundry, ample storage and car-spaces accessed via a rear lane.
