This very well presented three-bedroom home is light and bright with neutral wall colour & floating timber floorboards. The lovely rear living/dining area has a split system for all year-round comfort. This leads you out to a huge decked area, plus a small paved courtyard area to the side. There is a functional kitchen with dishwasher, gas stove and electric oven. The three bedrooms all have built in robes and the master bedroom has access to the 2-way bathroom, giving it the ensuite effect. The single lock up garage has been closed off and is now able to be used as a rumpus room with internal access and rear door outside. Parking for two cars is available. Small pets Negotiable - however please note there is no lawn. Please note - Automatic pergola shutters are not functional & will not be repaired.
