If you are looking for a low set unit that is a cut above the average this Railway Estate property is sure to impress. Situated in a no through road street this property will suit those who want a quiet life whilst living so close to everything. With a generous open plan living area which flows onto an extensive deck this property is perfect for those who like to relax or entertain. With extras such as built in robes, air conditioning, fans security screens, two car accommodation and a storeroom to top it off. The unit is currently rented as a holiday property but would also be a wonderful home. It would be ideal for those who would like to rent the property part time and live in it when visiting town. Situated so close to all the amenities such as the City, the Strand, the Cowboys Stadium and the V8's it would be difficult to come up with anything that rivals this unit for its situation. Shops, schools and transport are all so close. Call now to make a time to view this terrific property.
