FEELS JUST LIKE NEW!

Located in a peaceful boutique development of just three, this spacious two bedroom townhouse offers every essential for quality, low maintenance beachside living. A modern, functional floor plan enjoys light filled living spilling over two distinct levels incorporating a well configured kitchen boasting all of today's modern conveniences. Entertaining will be a breeze as the large stone bench top lends itself perfectly to hosting friends and family, as the open plan living area easily accesses a pretty, private courtyard allowing even more room to move. The lower level also enjoys a formal entry area and powder room as a large, single remote garage with added side roller door to access the courtyard makes for great storage space. The journey upstairs uncovers a second sitting area, robed master bedroom easily accessing the family bathroom, as does the second bedroom that also has built in robes. All complemented by split system airconditioning to ensure your added year round comfort, alarm system, intercom with camera, together with brand new carpets and freshly landscaped gardens allowing you to simply move on in and enjoy. This terrific townhouse makes for easy everyday living offering great convenience as white sandy shores, major shopping and freeway access are all found within easy reach.
