This meticulously designed, brand new red brick home showcases grand 9-foot ceilings in a secluded quiet court. The well flowing open plan living and dining area creates versatile space for families to relax and entertain whilst the home basks in natural light, creating a bright and welcoming atmosphere. One of the standout features is the properties rear access to easement land, which can be used for various purposes according to your needs and preferences. This unique addition adds to the appeal of the property, as you only need to maintain the low-maintenance backyard with private access to acres on end. The convenient location of this property is a great asset, being within moments of open parkland, public transport, and a short stroll to local Shopping Centres and Cranbourne West Primary School. Security and privacy is ensured all year round being located in a private court and set as the back unit on a block of 2 (no body corp fees). The comfort of your family is prioritised with ducted heating and split system air-conditioning, ensuring year-round enjoyment of this delightful home. Additionally 4 bedrooms have fans and generously sized built in robes. If you have any further queries on the property, please do call me anytime on 0457 511 332. I look forward to taking you through this property.
