The attraction of a charming, spacious home is perfectly illustrated by this freshly presented two-bedroom ground-floor apartment. Enjoying the splendour of Victoria Gardens, the serenity of the Yarra River and the excitement of the nearby CBD, this comfortable abode is a fantastic opportunity for first home buyers and investors alike. A spacious central living/dining area and a unique separate kitchen, also flooded with natural light, provides further appeal with its ample storage and meals space. The two large bedrooms are enhanced with built in robes, and the central bathroom features a bathtub and laundry facilities. The solid brick complex also features secured off street parking at the rear of the property with remote access for the gate.
