Showcasing sophisticated design and streamlined contemporary interiors, this impressive town residence provides spacious family living, yet a low up-keep lifestyle. Designed with quality in mind, underscored by timber floors and finished to impressive standards, saturating natural light fills the open-plan living/dining area, including a striking stone-topped kitchen – with handy server window to the huge entertainer’s deck. With luxury at the forefront, this stunning home also provides the utmost convenience, with a sumptuous main bedroom (ensuite/WIR) privately zoned on the ground floor, and accompanied on the upper-level by 2 large bedrooms (BIRs), teenage retreat and twin-vanity bathroom. Finished to perfection with heating/AC, powder room, water tank, shed, single garage and off street car space. Matched by a prime location, a walk to Amsleigh Park Primary, and just minutes to Oakleigh's thriving shopping and café strip, Chadstone Shopping Centre, Monash University, local walking tracks and scenic parks.*Please Note* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
