Enjoying the quiet amenity of a court location at the rear of a two-lot complex, this established two bedroom unit offers a convenient, low maintenance lifestyle without breaking the budget. Step inside to an open-plan living and dining area that provides a welcoming and versatile space with plenty of natural sunlight. The kitchen is well equipped with an upright gas stove and ample cupboard/bench space. Both bedrooms have built in robes and share the tiled central bathroom. Single garage and an additional carport behind gates provide dual car accommodation options and the secure yard is large enough for a small pet. Within close proximity to Pacific Werribee shopping centre, public transport, schools and parklands.
