Situated at the rear of a brick duplex, this very attractive property combines an ideal amount of space inside with low-maintenance living outside. Bright and welcoming throughout, the home features a spacious open-plan living/dining area with air-conditioning and tidy kitchen with plenty of storage space. There are three good-sized bedrooms, all with built-ins. The bathroom has bathtub and shower plus separate vanity and toilet. There is a large laundry at the rear of the single lock-up garage, with easy internal access to the home. A fantastic feature of this property is the huge covered patio area, which can be accessed from the living room, master bedroom, or the driveway. The unit is surrounded by an L-shaped, fully fenced yard with lovely established gardens. Positioned in a quiet street conveniently close to all the facilities of town, this property offers a fantastic opportunity for downsizers, first-home buyers or investors.
