**\$700,000 - \$770,000**

This townhouse is truly unique. It is BIG! 3 generous bedrooms, 2 spacious bathrooms and a clever study nook. Double garage with convenient internal access. Massive open living and huge sun-filled kitchen that seamlessly transitions to the brilliant outdoor entertaining area and rear courtyard. Built to the highest of standards this property still presents as if it was brand new. The layout, workmanship, timeless design aesthetic and quality finishes throughout radiate comfort and class. The neutral tones, interesting textures and accents of timber perfectly complement one another throughout. The kitchen is simply stunning with no expense spared and plenty of eye candy on offer. The tiled splash back and stainless steel appliances are finished off beautifully by stone meal preparation surfaces, crisp white joinery and lit by a striking timber pendant. You'll love entertaining in this very stylish social hub. This is low maintenance modern living at its best with all the modern conveniences and comfort inclusions. With ducted heating, split system air conditioning, rainwater storage tank and garden shed, the extensive and thoughtful inclusions list includes too many outstanding features to possibly list here. You'll have to experience this home in person to fully appreciate all this stunning home has to offer. Close to everything that makes Altona great, the location of this home is fantastic. Just a short stroll from Harrington Square shopping precinct, your daily needs and specialty coffee fix are covered. The Pier St café and dining precinct is just a short distance away, giving you a chance to digest your meal over a beachside sunset stroll home. With parks and beachside reserves a plenty, you'll have an abundance of sports and recreation to choose from. You'll have city bound rail access via Westona station merely a 5 minute stroll down the road and city bound freeway access just a short drive away. This property will surely be in demand given the quality of finish and excellent accommodation attributes so be sure to contact to register your interest today.
