Designed by award-winning architects Shane Murray and Diego Ramirez-Lovering of Monash University. This unique property offers the epitome of peaceful living, just a short stroll from Pakington Street. Two bedrooms invite the outdoors in with doors connecting to the garden scape and bathroom with walk-in shower. An open plan living space on the second level with one-wall kitchen and walk-in pantry, the balcony with views over Corio Bay. The outdoor bathroom prioritizes health and well-being with a MicroSilk Bath and Finnish Spruce sauna. The garden also features a pizza oven and seating area perfect for entertaining.
