\$479,000 - \$529,000

Brilliantly designed with a focus on natural light and generous spaces with an elevated outlook and just minutes away from all amenities, this two bedroom townhouse delivers low-maintenance ease in an exclusive Highton location that is walking distance to the Barwon River. Experience the spaciousness of the formal living room, with an abundance in natural light filling the space, creating a warm and inviting atmosphere. A seamless flow across the entry hall beautifully brings together living and dining spaces where a well appointed kitchen awaits with masses of storage- perfect for culinary enthusiasts and entertaining guests all year round! Upstairs offers a spacious master bedroom with built in robes, second bedroom with built in robes and a bright central family bathroom with shower over bath. A separate, dedicated laundry room is also included for added convenience. Outside you will find a low-maintenance courtyard with enough space to entertain or simply relax in the sunshine. Designed to suit downsizers, first home buyers, and investors alike, this home prioritises instant enjoyment. With features like ducted heating and ceiling fans for year-round comfort. Further enhanced by its location, it is close proximity to the Barwon River and Montpellier Primary school, and across the river to Geelong CBD. It is also positioned between two major shopping centres, Highton Village and Barrabool Hills Shopping Centre, plus the added convenience of local North Valley road shops.
