Private, secure, and low-maintenance, this rear single-storey 3-bedroom unit is ideally located near Monash University and public transport, with easy city access via the Princes Highway. A broad bay window floods the large L-shaped lounge and dining room with light. The dining area opens directly to a tranquil courtyard, perfect for outdoor gatherings. Warm floating floors lead to the generous open-plan kitchen, which offers ample cupboard and preparation space, along with a walk-in pantry. Each of the spacious bedrooms features fitted robes, with the master bedroom benefiting from a large walk-in robe. The rooms share a spacious central bathroom with a luxurious corner spa bath and a separate toilet. This comfortable home also includes a large laundry with courtyard access, ducted heating, evaporative cooling, a lock-up garage, and a big front yard for additional off-street parking or for children to play. An ideal investment, fantastic first home, or hassle-free downsizer, this property is just a leisurely stroll from Fregon Reserve and is situated in an idyllically quiet street close to various shopping options and Monash Medical Centre.
